VISION

We will maintain our stewardship over the building and grounds we have been provided by God. To do this, we will:

- Present a beautiful church and grounds that expresses worship for Him
- Call our community to join us in fellowship and discipleship.
- Create an inviting and comfortable atmosphere for our guests and congregation.

GOALS

In order to *make our guests feel invited and special*, by December 31, 2010 we will:

- Put out a specific invitation for guests to join us on Sunday mornings dressed as they are.
- Provide special guest parking
- Specific and organized signage for guests throughout the church

In order to *call our community to join us in fellowship and discipleship*, will make the church more noticeable and appealing by:

- Improving the exterior landscaping of the Church by June 2010 with better maintenance and presentation of existing landscaping beds, more landscaping beds, seasonal flowers
- Implementing seasonal decorations: Spring Tulips by April 2010, Easter decorations by April 2010, Christmas lights by December 2009
- Install a waterfall / water feature out in front of the Church to invite guests by day and night by September 2010
- Design and implement better lighting of the Church grounds by September 2010
- Improve the entrance to the parking lot and Church building by March 2010
- Turn existing detention basin on east side of building into a wet retention basin (ie a lake) with a fountain by September 2010

In order to *maintain our stewardship over the building and grounds we have been provided by God*, we will keep the Church beautiful and free from deferred maintenance by performing annual renovation projects to include:

- Renovate the Baptismal area by September 2010: Install a half wall to shield off the storage area, renovate changing areas, paint and clean up the entire area, improve lighting and add art work.
- Renovate the Doxa by September 2010: correct lighting deficiencies, clean and perform maintenance on all furniture.
- Joy Hall and the Kitchen by September 2010: dishwasher, stove hood repaired, storage, commercial refrigerator/freezer
- In order to Create an inviting and comfortable atmosphere for our guests and congregation we will create a Family Picnic Area by June 2010 to include:
 - Patio with a covered pavilion
 - Electric outlets for music and other appliances
 - Barbeque Pit
 - Water Fountain for thirsty kids and exterior faucet for cleaning
 - 4 Picnic Tables
 - Horseshoe Pit
 - Landscaping

In order to *create an inviting and comfortable atmosphere for our guests and congregation with children we will* (by September 2010):

- Install a Cry Room
- Create a special kids area at the main entrance to the church with popcorn, candy, donuts, books and toys so the kids can go play while we visit with our new guests
- Purchase a Helium Tank and decorate the children areas with balloons
- Create a special Teen Area for Teens to sit during Sunday services
- Add a sand box by the play ground/pavilion
- Install a basketball pole in the rear parking lot by the Doxa entrance
