

# MENS MINISTRIES

JERMAINE HOLT, DIRECTOR

## VISION

We will encourage, inspire, equip and empower men to be authentic followers of Jesus Christ. (Mt. 28:19-20). West Hills will be a "City On A Hill" for Men to seek refuge and be inspired to grow spiritually, find strength, and experience healing through Jesus Christ.

### *Relationship*

We believe that all Men have been called to be intentionally relational and missional — to “be” and “make” disciples, inspiring and cultivating deep and abiding relationship with Jesus Christ. For these relationships we use small groups and mentoring. (Mt. 28:19-20, 2Tim 2:2)

### *Family*

We will encourage and inspire men to lead and love our family. We are not called to be dictators but “servant-leaders” empowering our families to succeed, grow spiritually and reach their full potential. (Eph. 5:23, Eph. 6:4)

### *Community*

The West Hills Men’s Ministry serves as a service organization to the Church and in our neighborhoods. We will accomplish this by partnering with the CIA ministry and with strategic outreach opportunities. (Mk. 10:43)

## GOALS

In order to be "City On A Hill" for Men to seek refuge and to “be” and “make” disciples of Christ, We will influence, inspire and empower 100 men to grow in Christ by September 30, 2010. Each of those 100 men will seek to influence, inspire and empower other men to grow in Christ.

In order to be *intentionally relational and missional*, we will hold six strategic events by September 30, 2010. These events will include *Men at the Cross*; we will bring 20 men to the *Men at the Cross* event in June of 2010.

In order to *encourage and inspire men to lead and love our family*, we will hold an one Adult class/ seminar by June 30, 2010. This seminar will unpack how to:

- . Be a Godly Husband & Father
- . Understand our Role as “Servant Leaders” in the home
- . Be Godly in the workplace and community
